First Friday Griffin Inn, Lisvane

The March session has moved to the Griffin Inn (Church Road, Lisvane CF 14 0SJ) in Cardiff. The village is north of Cardiff near to the M4 but a bit tricky to find if you don't know the place; directions are on our website. The pub is old with lots of character and an appreciative local audience! Start about 8.00 pm.

Friday 5th March.

April's First Friday session has been cancelled because it coincides with Good Friday and the Easter vacation.

St Patrick's Night Irish Club

Come and join us for a session in the Irish club bar starting about 8:00 pm.

Wed 17th March.

2010 Feis Irish Club

The Feis is a chance for learners to play in a competition style setting in front of adjudicators. This is good practice for anyone who wants to enter competitions for real. Those who take part leave with valuable advice from an experienced musician on how to improve their playing.

Sunday 21st March, 2-4 pm.

Midland Fleadh Princethorpe College

After having a go at the Feis you'll be ready for this! Competitors from all over the UK Midland Region will be going to Princethorpe College for the Fleadh. Even if you don't compete, It's a great social occasion and a chance to see some great playing of all the instruments. We are hoping to run a coach to the venue, more about this later.

Sunday 9^h May.
