

Tin Whistle Basics

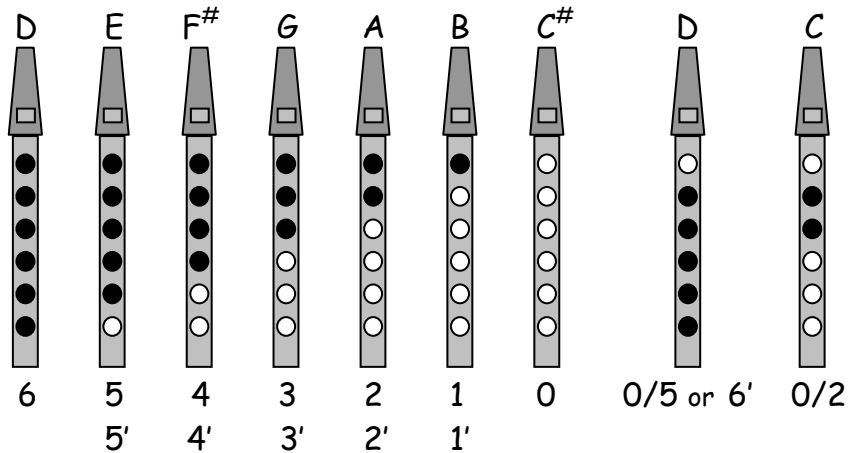

Holding the whistle:

- ✓ Left hand nearest the mouth.
- ✓ Use the first 3 fingers of each hand to cover the holes.
- ✓ Thumbs underneath the whistle.

Playing the notes:

- ✓ Make sure that your fingers cover the holes.
- ✓ High notes are marked with a dash (e.g. 5'); blow a little harder to get these notes.

Scales for a 'D' whistle:

- ✓ Practice them!
